Strategic Breakthroughs and Unresolved Challenges for Resettling People

The International Network on Displacement and Resettlement (INDR www.displacement.net) welcomes all development and resettlement specialists to its 20th Anniversary meeting from 17th to 19th of August 2020. The meeting will be hosted by the Centre for Management of Land Acquisition, Resettlement & Rehabilitation (CMLARR), Administrative Staff College of India (ASCI) in Hyderabad. The Program's theme is **Strategic Breakthroughs and Unresolved Challenges for Resettling People**. Abstracts and proposals for sessions, papers, poster presentations, workshops and panels are now open until 31 March 2020 and should be emailed to the Program Chair, Prof Reshmy Nair (reshmy.nair@asci.org.in/reshmy.asci@gmail.com).

Since its founding in Rio de Janeiro in 2000, INDR is the premier international organization of professionals researching and advocating for the betterment of the lives and livelihoods of resettled people. Designed as a virtual network, it has also held recent, successful face-to-face conclaves in Vancouver (Canada 2016), Santa Fe (USA 2017), Oaxaca (Mexico 2018), and Nanjing (China 2019). The Program Chair welcomes volunteers and suggestions for topics, panels and papers on the broad theme.
